Now Available: The RetireSmart Ready Tool App

Better retirement outcomes are now easier to achieve than ever before.

MassMutual's new RetireSmart Ready Tool app combines the power of the online tool with the convenience of on-the-go access to help participants:

- Assess their chances of potentially having enough retirement income
- Link with outside accounts for a broader financial picture
- Customize their saving and investing strategy
- Take action anytime, anywhere

Participants can search for the “Ready Tool” or “MassMutual” in the App Store or on Google Play to download it to their mobile device.

For more information about our innovative suite of solutions, please go to massmutual@work.com.
